### NOTIFICATION

Simla-4, the 24th December, 1954.

**No. Fin. (Bud)-38-35/52 II.**—The Government of Uttar Pradesh, Finance Department's Press note dated the 13th November, 1954 regarding the payment of U. P. Sales Tax of the non-resident dealers exporting goods to that State, is reproduced below for general information :—

“Under Article 286 of the Constitution of India, as interpreted by the Supreme Court in State of Bombay versus United Motor (India) Ltd., Bombay, levy of sales tax is permissible by the importing State on certain transactions of an inter-State nature. The liability on such transactions arises from January 26, 1950. The U. P. Government, however, as a measure of concession to dealers, decided not to give retrospective effect to the Supreme Court's decision, but to levy tax on such transactions from April 1, 1953 to the extent permissible under the U. P. Sales Tax Act.

2. It has now been represented to Government that the ex-U. P. dealers generally came to know of their liability to pay U. P. sales tax on such inter-State transactions considerably after delivery of the judgment of the Supreme Court. They did not, during this period, realise any tax from their

constituents and it would, therefore, cause them great hardship if tax is now charged from them from April 1, 1953.

3. Government have carefully considered this representation. They are of the opinion that there is no legal justification for advancing the date from which tax is to be charged beyond April 1, 1953. In order, however, to avoid hardship to dealers who may not have charged sales tax as such, they have now decided to advance this date to January 1, 1954, in the case of only those dealers who pay the tax due from them for the period January 1, 1954 to September 30, 1954 as well as the tax which they may have realised as such for the period prior to January 1, 1954, before the end of December 1954. Any tax realised as such before January 1, 1954, has in any case to be paid to Government.

4. It is expected that ex-U. P. dealers liable to pay tax on inter-State transactions in U. P. will take advantage of this concession by paying the tax due from them immediately. The concession will not be extended to those who do not pay, or whose payments are delayed beyond the date fixed by the competent authority.”

for Finance Secretary.
